

STONEDEAF PRODUCTIONS LTD presents

STONEDEAF FESTIVAL, NEWARK SHOWGROUNDS, NOTTS
SATURDAY AUGUST 25, 2018

CREATED AND PROMOTED BY HARD ROCK FANS, FOR HARD ROCK FANS

Stonedead Festival is being organised to recapture the spirit of the original Monsters Of Rock festival but in a new and exciting way, Stonedead will feature some of the finest names in hard rock as well as some up and coming acts to the festival organised by fans. With a stage named to commemorate the late Tommy Vance, what's not to love?

The inaugural Stonedead Festival features a stellar Headline performance by American heavy metal band **Skid Row**. A multi platinum album selling, louder than life Hall of Fame Rock Band.

Stonedead Monsters Promotions are also privileged to announce supporting acts: English hard rock band **The Quireboys** who will bring their amazing sound to grace the stage.

Wolfsbane, English heavy metal band who are guaranteed to deliver a high energy performance.

Canadian heavy metal band **Anvil** (who inspired Anthrax and Metallica and their loud punishing guitar/drum combinations).

Legendary singer **Graham Bonnet (Rainbow, MSG, Graham Bonnet Band)** who headlined the inaugural Monsters stage in 1980 with Rainbow.

The impressive Lancaster five-piece rock group **Massive Wagons. Hand of Dimes** with their soulful melodic rock, and **Chrome Molly**, hard rock band from Leicester.

After an intense competition online Battle of the bands winners **Fallen Mafia**, a Glam Metal band from the North East of England, bringing a touch of true Rock 'N' Roll and high energy to the stage.

The **Tommy Vance Stage** following his daughter granting permission for the legendary voice of Rock and Metal from the 80s name to be attributed to a stage and venue worthy of his status.

DJ Hellhound who will DJ during the Festival between sets, bringing his more metal than a Sheffield scrapyards Rock delivery to the Stonedeaf Family and the infamous **Krusher**, the voice, face and all round royalty of British Rock mixed with his theatrical eccentricity in announcing the bands.

Stonedeaf's stellar line-up is to excite classic and new rock fans in championing new acts who have the same uncompromising, thrilling ethos of true hard rock as the established and household names on the billing.

The festival is located at the 5,000-capacity Newark Showgrounds in Notts and is priced at an affordable £50 (£60 with camping).

Explaining the reasons for Stonedeaf, the organisers say: "We're a group of veteran rockers who spent every year waiting for that one magical day in the calendar: Monsters Of Rock."

"We shared our stories and that evolved into a feeling of loss. What happened to buying a festival ticket that didn't involve having to take out a second mortgage? Having one stage, half-a-dozen fantastic bands, crashing out back at your tent and talking to your mates about the day? Then packing up and going back to the real world on Sunday?"

"Our aim is to take a mix of established and up-and-coming bands with that classic rock sound. If you ever wanted to experience a true music heavy metal rock festival, you'll love Stonedeaf."
